Where to Report a Problem with Food

Report a Problem with…	Do This
Meat, Poultry, or Processed Egg Products	Phone the toll-free USDA Meat and Poultry Hotline at 1-888-MPHotline (1-888-674-6854) or report the complaint online. For details, see Problems with Food Products (USDA).
Food (Except Meat, Poultry or Processed Egg Products)	Phone the FDA Main Emergency Number at 866-300-4374 or phone the Consumer Complaint Coordinator for your state or area. For details, see Questions and Answers: Problem Reporting (FDA).
Pet Food	How to Report a Pet Food Complaint (FDA) Guidelines for reporting problems with pet food and animal feed.
Restaurant Food	Call the health department in your city, county, or state. See State Departments of Public Health for contact information.
